

### Directions by car to Future skills Ireland Long Mile Business Park

The best way to get to our entry road (Robinhood road) is to set the google maps to Bill Griffin Motors on Naas Road and turn left just before it this will take you on to the robin hood road. We are at the very end. You will see a big red brick building (Harmon air conditioning). Turn into the Long Mile Business Park. Take the first left we are located in the last building.

### Directions from Kylemore Luas stop to Future skills Ireland Long Mile Business Park

If you are coming out on the Luas. The centre is really simple to get to if you are coming out of Dublin on the Naas road. Travel out as far as the Kylemore Luas stop (Stop before Red cow coming out of town) . Walk about a 150 metres after Laus stop to you see Bill Griffon Motors on your left side that is road, it is the side with traffic heading out of town.

Turn up robin hood road we are at the very end you will see a big red brick building with Harmon air conditioning. Turn into the Long Mile Business Park. Take the first left we are located in the last building.

( Be careful Robin Hood road extends both sides of the Naas road you want the side that goes up to Long mile road direction) NB You cannot get to the centre via the Long mile Road only via the Robin hood road.
